

A Texas Family Tradition

Longhorn Family Partners

Your student is a Longhorn — part of a lifelong community bound together by pride, ambition, achievement and their determination to change the world.

Now, you have the opportunity to take on a special role in the Longhorn network and help The University of Texas at Austin deliver on its promise that what starts here changes the world.

Longhorn Family Partners are some of The University of Texas at Austin's leading parent and family donors.

Join us and change the world.

Parents and family members of current UT students are invited to be recognized as Longhorn Family Partners after making a high-impact gift commitment to invest in the UT students, faculty and programs that change the world.

Longhorn Family Partners support the university's mission with their giving, share a family perspective with UT leaders, advise our team on family engagement strategies, and connect with other supportive families on campus.

Deepen your involvement with UT, stay connected to campus and network with other leading Longhorn families. Longhorn Family Partners are invited to two exclusive on-campus events each year, and your membership lasts throughout your student's time on the Forty Acres.

Every gift matters. Your major gift commitment to any area of campus qualifies you for an invitation to become a Longhorn Family Partner.

- A scholarship that opens the door for students in need.
- Support for your Longhorn's college, school or major.
- An endowment for a professor or academic program.
- Excellence funding for your family's favorite team, library, museum or UT organization.

A donor advisor is ready to learn more about your family's interests and share how you can make a difference. ►

WHAT STARTS HERE

We have a once-in-a-generation chance to ensure that The University of Texas at Austin becomes the world's highest-impact public research university by focusing on our people, taking advantage of our place and honing our pursuits. That all starts with parents, friends and philanthropic investors like you.

The What Starts Here campaign is the biggest and boldest fundraising initiative in our university's and state's history. Together, we'll unleash knowledge, opportunity and innovation from the heart of Texas. Learn more at giving.utexas.edu/wsh.

"Thank you for being part of Longhorn Nation."

We are grateful your student chose UT Austin and know what a special time this is for your whole family.

There's never been a better time to make an impact as a member of the UT community. We've made historic investments in student support, enabled groundbreaking research and are building a new gold standard for excellence in health care with the UT Medical Center. And that's just the beginning.

I hope you will join us in this work and be recognized as a Longhorn Family Partner.

Hook 'em!"

DAVID LIVINGSTON
Vice President for Development

"Being involved with the university has been incredibly rewarding for us. We can see real, tangible impact, which means a lot to us and to our daughters. Whatever your passion or interest, there is a way to support it by giving to UT."

STEVE & MIMI HOUSTON,
parents of Marley '22 and Sadie '25
